

HOUSE No. 4043

The Commonwealth of Massachusetts

EXECUTIVE DEPARTMENT
STATE HOUSE • BOSTON 02133

DEVAL L. PATRICK
GOVERNOR

TIMOTHY P. MURRAY
LIEUTENANT GOVERNOR

May 18, 2007.

To the Honorable Senate and House of Representatives:

I am filing for your consideration the attached legislative proposal, entitled, "An Act Amending the Law Providing Incentives to the Motion Picture Industry."

This legislation builds on the success of a 2005 law that created state income tax credits to encourage motion picture production in Massachusetts and also established a sales tax exemption. With a proven track record, this legislation will further grow the state's film and television economy: in only fifteen months since the 2005 tax credit legislation took effect, three studio films have been made in Massachusetts, while prior to the legislation, only four studio films were made in seven years. Massachusetts has long been a leader in the creative arts industry with our beautiful locations and skillful crew base, and as a result, many great movies have been made here. But beauty and talent are not enough to entice movie and television industry to do business in the Commonwealth.

Massachusetts must maintain its competitive edge, and this legislation propels the state to the forefront by removing the \$7 million dollar cap on the tax credits; lowering the \$250,000 floor to \$50,000 for purposes of both the income tax credit and sales tax exemption; increasing the percentage of payroll to be credited from 20% to 25%; and adding "digital media project" to the definition of motion picture. This legislation will potentially bring tens of millions of dollars in new investment and economic activity to the Commonwealth, along with high paying and environmentally clean jobs.

Fostering a stronger, healthier creative economy is vital to keeping jobs and citizens within the borders of the Commonwealth. Accordingly, I urge your early and favorable consideration of this bill, which would ensure that Massachusetts continues to be a competitive leader in hosting the film and television industry.

Respectfully submitted,

DEVAL L. PATRICK,
Governor.
